SIZE DOES MATTER

This may sound like an advertisement for the next Godzilla movie or an article in Seventeen but it isn't. It's a philosophy three members of Congress live by. These members are Mark Rawlings, Leslie Bedo, and Amy Caswell. At Saturday's game, both sides of Diddle Arena were covered with posters wishing our Hilltoppers good luck. There was special mention to the soul senior Lee Lamply.

Thanks to you three for putting in so much extra effort for your SGA and Hilltopper Athletics.
